Education	Imperial College London	• MSc Innovation Design Engineering	📅 2023 09 - 2025 11
	Royal College of Art	• MA Innovation Design Engineering	📅 2023 09 - 2025 08
	Renmin University	• BA Design	📅 2018 09 - 2022 06

Experience	One Soul	• AI Startup Product manager	AI Work Flow	0-1 End to End	📅 2026 04 - Now
	● Sole designer in a 5-person team at OneSoul , independently owning product design, UX, and select marketing work; built and ran an AI-design-AI pipeline end-to-end, collaborating closely with founders, engineering, and ops.				

Urify.co	• Solo Founder Health Tech The James Dyson Award Global 20	📅 2026 01 - Now
● Product Management & Strategy – Product Delivery : Coordinated resources to lead a cross-functional team (medical & engineering), successfully translating complex clinical research into a scalable product and business model. Roadmap & Direction : Conducted market and business analysis to define product direction, feature prioritization, and user requirements. User-Centric Design : Built and engaged an early-user community with users, charities, and NHS experts to drive agile product iterations.		
● Business Analysis & Validation– Market Validation : Won 2nd prize in Idea to Impact, named Imperial's WE Innovate semi-finalist, ranked Global Top 20 for Dyson award. Fundraising : Formulated data-driven business cases to successfully secure non-dilutive funding.		
● Stakeholder Management & Partnerships – Enterprise Collaboration : Invited to explore pilot with the world's largest semiconductor manufacturer. B2B Pitching & Media : Invited to present to the NHS and TEDx; featured in global media including Reuters and Dezeen.		

Xiaomi Auto	• HMI Designer – Digital Cockpit, New Energy Vehicles	📅 2025 11 - 2026 04
● System UI/UX Governance – Help build the definition and delivery of Xiaomi new energy vehicle System UI guidelines, iterating design solutions based on user research, user feedback, and market insights.		
● Cross-functional collaboration – Worked closely with product managers, software engineers, and External cooperative team (google...) conducting in-vehicle evaluations to ensure high-quality delivery and taking end-to-end responsibility for the in-cabin user experience.		
● Localisation & Regulatory Compliance (EU) – design optimisation for European market rollout, ensuring system UI and in-vehicle experiences complied with both Chinese and European standards and regulations.		

Innovate ADHD	• Health Startup Product Manager London	📅 2025 05 - 2025 11
● 0-1 Leading whole product design : identify unmet needs and synthesised insights into design and product strategies to improve user clarity and engagement. Collaborated across design and product teams to translate insights into actionable business opportunities.		
● Multi-task in fledgling startup – As the only designer Marketing / Design strategy / Web Design / Docking developers / Report Design.		

Huawei	• User Centered Design Lab Design Intern China	📅 2024 07 - 2024 09
● Establish ToB design Principles – Oversee the integration of mobile architecture for B2B platforms, analyze interaction data and user feedback from five B2B apps, and propose strategic design solutions based on identified issues.		
● Empowering B2B design with AI – Identify B2B and B2C design differences and use Midjourney to create targeted visuals accordingly.		
● Analysed product data and user feedback from B2B platforms to identify usability gaps. Proposed strategic AI design optimisations .		

Projects

RES • Innovation Invention/Design Strategist | 2025 Winner of Social Analysis Competition

Explored innovative solutions for pollen allergy by leveraging technology and service design. Collected and analyzed social data to build an intelligent network that guides user behavior and decision-making.

RCA x OPPO • Product &Mkt Analysis | 2024 London Design Festival

Identified design opportunities through behavioural research and developed strategic design directions across disciplines.

Student Society • Imperial College London AI Society Committee

Student Union • Head of the External Relations Department

Awards	2025 James Dyson Award UK Runner UP	2025 Winner of Analysis of Society	2024&2025 London Design Festival
